EDUCATION EXCHANGE & L.A. FILM PREMIERE

THURS. DEC 8th

TIME: 6:30-7:30PM

*PREMIERE from 7-10PM

BELLEVARADO STUDIOS

2107 Bellevue Ave., Los Angeles CA 90026

WHAT TO EXPECT:

The Education Exchange is a networking opportunity within the Los Angeles Film Premiere specifically for formal and informal educators to connect and discuss sustainability education. At a roundtable type discussion, educators will learn about local organizations and Green Living Project's free educational resources, as well as share experiences, resources and questions. This casual networking session is intended to connect educators to local resources and opportunities within their community. After the discussion, stick around for free food, drinks and sustainability films at the 3rd Annual Los Angeles Film Premiere.

WHO SHOULD ATTEND:

K-12 teachers, college educators, non-formal educators, local environmental organizations, parents, and anyone interested in sharing or learning more about sustainability education.
